FOR SALE: Four 2000 Honda CRV steel rims for sale. \$20 each or all four for \$65.00. This is a very good price. The rims fit all 1997 through 2001 Honda CRVs. Average condition. In the spring or summer you could wire brush and spray paint them to make them look really great for next year. The wheels, of course, hold air and have no damage to them at all. We have used these steel wheels for a set of winter tires. They have been stored inside the rest of the year. We just purchased used alloy wheels for the snow tires and, therefore, are selling the steel wheels. It is great to have the snow tires permanently mounted on steel wheels making Fall and Spring changeovers both easy and inexpensive. 1453 Peninsula Drive, Indian lake. 352-212-5408 Dr. Robert T.
