FOR SALE-- 1993 Baja 180 Islander, 18 ft., 205 HP engine. Asking \$5,000 or best offer. Contact Eric at 301-404-4678. Eric Goodwin 1st posting November, 2011.

FOR SALE -- Sailboat - just \$600, An AMF Alcort Puffer, a classic 12'6" boat is a very popular fiberglass mono-hull day-sailer sporting both a Main (55 sq ft) and a Jib (35 sq ft). The hull, which in very good shape, weighs 175 pounds with a crew capacity of 450 pounds. The boat is easy to "drag" up on shore. Easy to sail alone and great to sail with others. The mast, boom, and sail are in excellent shape. The dagger-board and tiller (spring loaded for beaching) are in very good shape but could benefit from some varnish! The boat can be car topped. Willing to deliver the boat either for this fall or for this spring. The boat can be seen at 1453 Peninsula Drive. Keep in mind that sailboats now cost no more than a kayak to properly register on Indian Lake. At \$600 this is well below many similar boats listed on the web. Come join us as lake sailors. Note the two pictures are not of our exact boat -- ours is white. Thank you. Robert and Cecelia Tauber (352-212-5408 or 5409). 1st posting November, 2011.

INTERIOR DESIGNER

I am an Interior Designer living in Somerset. I started CAS Design, Inc. a few years ago. Prior to that, I worked as the Interior Design Coordinator for Southwind at Lake Tahoe, Seven Springs. I worked with all 153 homeowners on design changes to their units, selection of final finishes plus furnishings for many.

I have been working actively in this region since the completion of the Southwind project. I have plenty of references available and would love to have the opportunity to do design work for homeowners in your community.

You can see some of my work on my website at www.casdesigninc.com. I can also be reached directly, at 814-233-8411 or email me at cslayback@comcast.net .
