COMMUNITY MIXER LUNCHEON: Our next "Community Mixer Luncheon" will be held **this Saturday, May 2** at Kings & Queens Restaurant on Route 30 just past Route 281! Please call, text or email me if you can attend. It is a great opportunity to meet with some of your neighbors and discuss current events.

Mayor Miscoe has issued a **May 2015 Newsletter** of interest to all Lake users; property owners, residents, guests and frequent visitors:

<http://indianlakepa.us/Portals/0/Newsletters/Mayor%20NL%20May%202015.pdf>

All Borough e-News and Newsletters are available at:

<http://indianlakepa.us/Borough/e-NewsCorrespondence.aspx>

The Borough web site required an extensive rebuild and was relocated to new servers over the winter. The improvements were necessary to reduce hacking attempts and improve security. Functionality should be nearly identical and changes hardly noticeable, if at all. Performance should be noticeably improved, particularly after your first visit to the reworked site. Should you notice a problem, such as a page or link that does not work as expected, please let us know.

As a reminder, please note the Smoke Signals Forum is still operational and a good vehicle to ask questions, post newsworthy items, sell or buy items, advertise services, or just complain):

Reminder: Our Community Events Calendar has been consolidated at:

<http://indianlake-pa.net/asp/Calendar.aspx> . Of note is the upcoming Service Corp Annual Meeting/Borough Town Meeting; on Saturday, May 16th. Thanks for your time, Bob Hanson, editor@indianlakepa.us

Hobie Holder 12 sailboat (not a catamaran) for sale. The Hobie Holder 12 and 14 were the only single hauls created by the famous designer of "cats" - Ron Holder. It is 12' long and is in excellent condition. It has a single sail mounted well forward so no jib is necessary. The mast comes apart in two sections for easy travel. The fiberglass dagger board, flip-up fiberglass rudder, tiller, and sail are in excellent condition! The boat only weighs 115 pounds. You can sail it alone or comfortably with up to four or five people. The boat is just the right size for Indian Lake. Although about the same length, the Holder is faster, dryer, and more stable than a Sunfish. Feel free to do a GOOGLE search on a Holder 12. You will find that most are selling for between \$850 and \$1000 or more. I am asking \$650 (or best reasonable offer). The reason I am selling is that we are moving without a lake readily available. There is no trailer, but it could be transported on most any small single axle trailer, in a pickup truck, or on the roof of a van (that is I how I carried it when I bought it). The boat can be seen at 1453 Peninsula Drive, Indian Lake. Phone: Dr. Tauber, at 352-212-5408 / email rtt1@psu.edu. Posting May 1, 2015.
