Please respond to the person who placed the ad – not to me. For future advertisers, please provide your name, contact information, what you would like to have included, including price, all in approximately one paragraph. Responders will have to contact the seller for photographs or more information. Remember **all ads** will only be **listed for only three (3) months** (however, if you change your ad, it can be re-listed after the three months). When you sell / give your item away – please let me know so I can remove it from this “Post”. This is a free service for Indian Lake residents. Gay

FYI: For more information about what’s going on in our community, you can always attend Borough Council meetings the second Wednesday of every month (**6 p.m.**) or you can go to <http://indianlakepa.us/Borough/Minutes.aspx> which contains past Borough minutes.

FYI: Marc Alaia from the Marina advises that the Island work is now complete.

Also, the valve was closed on the 10th and the Lake is refilling. Capturing the spring rainfall should ensure it fills as quickly as possible. Based on the weather forecast we should gain a couple of feet over the next week. Based on historical rainfall data we should be at normal pool by around May 1st. Fingers crossed. Bob Hanson.

COMMUNITY MIXER LUNCHEON: The next “Community Mixer Luncheon” will be held on April 16 at 12:00 p.m. The mixer will be held at the Indian Lake Lodge. Please make a reservation with me (754-8069) or gay.reed@comcast.net so I can inform them if they need to add an extra server. It is a lot of fun -- you can meet new and old neighbors and a few snow birds. It is totally informal. ☺
