

Indian Lake Post

A Monthly Publication

June, 2013

The "Indian Lake Post" is published once a month, generally on the 1st, so please try to plan and get your items / events to me before the end of the month, especially if a specific event is to take place during the following month. This is the new policy. Also, please respond to the person who placed the ad – not to me. For future advertisers, please provide your name, contact information, what you would like to have included, and all in approximately one paragraph. Responders will have to contact the seller for a photograph or more information. **All ads** will only be **listed for three months** (however, you can ask to have your ad re-listed). When you sell / give your item away – please let me know so I can remove it from this "Post". This is a free service for Indian Lake residents. Gay
