ED KRITZER, NEW MANAGER

Lots of improvements have been made around the Pro-shop and the man responsible for this is the new manager, Ed Kritzer.

Ed, who recently moved back to the area after retiring, grew up in Carinbrook and graduated from Shade in 1943.

Ed just couldn't sit back and "retire" so he decided to put all his knowledge of golf to good use and accepted this position. When asked when he began golfing, Ed said "Somewhere between the discovery of fire and the invention of the wheel". He really knows his stuff!

If you have't seen the Pro shop lately, stop in. A beautiful assortment of Mens and Ladies golfwear is available as well as accessories and clubs.

LOOKING FOR CONDOMINIUM SALES

Sale of the Studio Condominiums at Indian Lake Lodge are proceeding with a total of 8 units sold or committed. We are looking for more buyers this summer and suggest all of you to consider the benefits of owning a unit. Condominiums are one of the last remaining "tax shelters" under the Federal IRS revisions in 1987. Some of our prospects are looking to purchase a unit with several people. This may be a way to get in on the ground floor of the New Indian Lake Lodge with a minimal purchase commitment.

Financing of the Studio Units is available to qualified buyers. The down payment required is approximately \$6,000.00 with a mortgage of \$26,500.00. Some of the options the owner may choose are to occupy the unit for personal use, rent it nitely, or provide it for friends or employees of a business.

A development now in the planning stage is Pueblo Village. Plans for a proposed development of townhouse condominiums on the lakefront near the Indian Lake Golf Club are now being pursued through reservation deposits. Reservation deposits on 5 of the 16 units have already been taken with projected price tags starting in the \$60,000 range. Contact the Lodge for more information on our real estate sales.
